Clarification regarding rejection of applications for the post of Assistant Professor in Computer Science and Application.

With reference to the above, the recruitment process of appointing Assistant Professor's for various posts as per our notification No:AWUV/ADM/2017-18/3081/2018 is governed by Regulations on Minimum Qualifications for Appointment of Teachers and Other Academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in Higher Education 2010 and its amendments (4th Amendment in 2016) along with Government of Karnataka Order No: ED 136 UNE 2017.

According to section 3.3.1 of UGC Regulation:

"NET/SLET/SET shall remain the minimum eligibility condition for recruitment and appointment of Assistant Professors in Universities / Colleges / Institutions. Provided however, that candidates, who are or have been awarded a Ph. D. Degree in accordance with the University Grants Commission (Minimum Standards and Procedure for Award of Ph.D. Degree) Regulations, 2009, shall be exempted from the requirement of the minimum eligibility condition of NET/SLET/SET for recruitment and appointment of Assistant Professor or equivalent positions in Universities / Colleges / Institutions".

However section 3.3.2 of UGC Regulation says:

"NET/SLET/SET shall not be required for such Masters Degree Programmes in disciplines for which NET/SLET/SET accredited test is not conducted".

Since the UGC conducts NET in 'Computer Science and Application' and Government of Karnataka also conducts KSET in 'Computer Science and Application', Section 3.3.2 of UGC Regulations is not applicable and section 3.3.1 of the UGC regulations prevail.

Hence, those having M.Tech without NET/SLET/SET or Ph.D., without coursework are not eligible.
